Redfield® Rebel™ 10x50mm Roof Prism Binocular

ABOUT

Impeccable image quality with economical implementation: The Redfield Rebel binocular. Superior, fully multicoated lenses and premium BAK4 prisms offer unrivalled brightness, resolution, and edge clarity, while the armored polycarbonate body guarantees renowned Redfield durability. The advanced, ergonomic roof prism design dramatically reduces bulk and weight, while the twist up/down eyecups ensure a perfect fit for users with and without eyeglasses. The popular 10x50mm platform is the ultimate low light, upper magnification binocular for the low light environments where game is most active. From tree stands to cutovers, and from dawn to dusk, the waterproof and fog proof Rebel captures everything but your wallet. Includes soft case, neoprene neck strap and lens covers. Covered by the Redfield Limited Lifetime Guarantee.
